ANNUAL REPORT 2025

Strengthening Families. Restoring Hope. Building Community.

Serving over 500 families through housing stabilization, youth development, resource navigation, and strategic community partnerships.

A Message from the Executive Director

2025 has been a year of measurable growth and strengthened partnerships. Through the Adopt-A-Community Program and Conflict Resolution initiatives, we have walked alongside families navigating housing instability, economic hardship, and youth behavioral challenges. Over 500 families were connected to essential services. Fifteen families transitioned into stable housing. Thirty students completed structured youth development programming, and five students were sponsored on a multi-state college exposure tour. Our work is grounded in trust-based collaboration and consistent presence in the communities we serve. We remain committed to sustainable solutions that strengthen families long-term.

With gratitude, Sylvia Evans Executive Director
